

## CALLING FOR VALUATION EXPERTS

Dear Colleagues

The World Association of Valuation Organisations (WAVO) was established to bring together professional valuation organisations that represent valuers and related property consultants employed in private practice, business and industry, the public sector, and education, as well as some specialised groups that interface frequently with the profession. Member country associations include SISV (Singapore), API (Australia), AIC (Canada), ANEVAR (Romania), AI (United States), CAS (China), CIREA (China), CNG (Italy), HKIS (Hong Kong), KAB (Korea), PINZ (New Zealand), RERA (Dubai), RICS (United Kingdom), IACVA (Canada), IGAV (India), KAPA (Korea) and VVA (Vietnam).

One of the objectives of WAVO is to support the consistent application of valuation standards, methodologies, and practice, and to set criteria for educational standards and to raise the professional work of valuers. In the course of our operation, WAVO has been consulted every often on the kinds of expertise available among our member organisations. As part of our move to provide useful advice and consultancy to clients and organisations who need such advice and assistance, the WAVO Board has decided to gather a list of experts in the valuation field in the world, the equivalent of the WHO's WHO's in valuation. The main purpose is to provide a pool of international experts in various aspects of the valuation field.

We are now compiling a list of such experts in various fields for publication in our website to assist organisations and clients who need advice on a particular topic in their countries and elsewhere. From our investigations and references given by practitioners in the field, your name has been mentioned. We are inviting you to join this panel of WAVO experts or if you know of anyone who is interested to join us, could you kindly respond as soon as possible. Please complete the form attached. We hope to publish our panel of experts by September 2009. We look forward to hearing from you.

If you need further information, you can contact me or Esther Sim at [esther@wavoglobal.org](mailto:esther@wavoglobal.org) or Janet Han at [janet@wavoglobal.org](mailto:janet@wavoglobal.org).

Regards  
Dr Lim Lan Yuan  
Chairman, WAVO
